

Flood Insurance Selection / Rejection Form

Standard property policies including but not limited to homeowners policies, dwelling policies, or commercial property insurance policies exclude coverage for flooding events. As your insurance agency, we strongly recommend that you purchase flood insurance.

I understand that flood insurance coverage is available for the property located at the address below. I make the elections or rejections for coverage as indicated below. I also understand that my election and/or rejection of this coverage will apply to all future renewals, continuations, and changes unless I notify my insurance agency otherwise in writing.

I hereby certify that I have been offered Flood Insurance Coverage by my insurance agent, available from the National Flood Insurance Program, and that my agent, and/or the Agency will be held harmless and not liable in the event I suffer a flood loss.

If any coverage is accepted, you will be **required to purchase an additional policy** at additional cost to you for flood coverage, it is not included automatically in any other policy.
